

Priya Das

Location: Delhi | Phone: 9871234560 | Email: priya.das.ai@gmail.com

Education

B.Tech in Artificial Intelligence | Expected 2026

Delhi Institute of Engineering

Experience

AI Research Intern at DeepAI Labs (June 2024 - Present)

- Implemented NLP models for text classification.
- Optimized deep learning pipelines using PyTorch.

Projects

- AI-Based News Summarizer
- Personalized Chatbot for Customer Support
- Fake News Detection using Machine Learning

Skills Summary

Languages: Python, C++, Rust

Tech: TensorFlow, PyTorch, NLP, OpenCV

Tools: Google Colab, Jupyter, Git
